Meeting(s) Format(s): Open, Discussion, Literature Study and Speaker.

Average Meeting Attendance: 10-20

Newcomers (December 2022 – January 2023): 61

Meetings 7 days each week: Update to meeting locations starting Sunday, February 12, 2023 (see attached for days & times):

- 5 @ Central Presbyterian
- 6 @ Unity Fellowship
  - The reason for relocating 6 meetings is due to high maintenance, cleaning time, and expenditures at the basement.
  - We've reached out to other groups that use the basement for assistance in these matters and have not received support; ex: cost of the new air conditioning unit, maintaining and cleaning the basement after meetings, cleaning the coffee maker and coffee pots, and much more.
  - The church has contacted us that they will be installing a new central heating unit and most of the electrical issues have been resolved.
  - Flooding continues to be a major issue along with problems with the sinks and plumbing.
  - We've also run into issues with other groups using our supplies that we don't have space to lock up without permission. This includes using the propane heater our group purchased and supplies propane for to heat the basement in cold weather.

- If other groups that use the basement would communicate with us and/or help related to expenditures, maintenance, and cleaning this wouldn't be such a problem.

- 
- Please help spread the word re: updates to our meeting locations.
  - February 2023 Area Donation: \$10.00: Covering the cost of our GSR copy of the updated OWENSBORO AREA SERVICE COMMITTEE OF NA AREA GUIDELINES.
  - We placed 4 area literature orders in December 2022 – January 2023.
