RD Report:

The final inputs have been submitted for the revisions of IP 21 The Loner- Staying Clean and Isolation and the first section of the H&I Basics "Corrections". The H&I Basics is being revised in three sections, Corrections, Treatment, and Committees. The next section should be ready for input soon.

The Washington DC, World Convention of Narcotics Anonymous 38 Financial report has been released. The Expense over income was \$995,897. This may look like a huge loss, but the Message of Narcotics Anonymous was delivered to thousands of addicts and that is priceless. However, as a result, The World Board has decided to not have a World Convention in 2027. The future of the World Convention will be reviewed by the Board and more will be revealed.

The Southern Zonal Forum will be meeting Oct 24-26 at the Premier Best Western, in Louisville KY. Rm rate is \$120. I have reached out to the Louisville Area Activities Committee, and they will be hosting their Halloween Event at this function. Flyers will be available soon.

Subcommittee Reports:**KRCNA:**

(38) Occurred on April 18-20th at the Owensboro Convention Center. The event hotel was right next door to the Hampton Inn Downtown. Many commented that the speakers were outstanding. We continued 502's vision to inspire unity by including a Spanish speaking workshop that was livestreamed in Spanish speaking countries. We had approximately 149 preregistrations, 125 registered the day of the convention for a total of 274 participants. We have \$11,335.73 in the bank with one outstanding check to reconcile to the hotel for \$1573.26. There are a couple of miscellaneous expenses to clear up. We will be writing two checks to region, one for the \$6,000 return of the seed money and another for the rest when all is reconciled.

(39) Our first fundraiser, "May the 4th Keep You Clean", was held on May 4, 2025. Despite cold and rainy weather, we had a great turnout and a lot of fun! Special thanks to Julie G, who kicked off entertainment in a big way.

On April 20th, we launched early bird registration both online and in person at KRCNA 38. We're happy to report that 99 early bird registrations were sold on that day! Since then, pre-convention registration has been available online for \$25 at <https://kentuckianana.org/krcna-39/>. Big thanks to Chris L., our Registration Chair, along with the registration subcommittee and Chris B. (IT) for a smooth registration process both online and in person.

We've been touring venues for KRCNA 39. So far, we've looked at Doubletree, Bally's, and Old National Events Plaza. The committee plans to make a final decision on the location in June. For any questions related to Hotels & Hospitality, please contact Matt K.

The Theme and Logo Contest is currently underway and open for submissions until July 1, 2025. The winner(s) will receive a free registration to KRCNA 39. (Theme and logo can be won separately.) If you have any questions about merchandise or contest details, reach out to Pam Mc. The information is also available on the KRSCNA website.

Programming is now accepting submissions for main speakers—must have 5 years clean and submit an audio file (tape, CD, or digital). We're also looking for workshop speakers (2 years clean) and workshop chairs (6 months clean). Please contact Kenny Mc with any programming-related questions.

Lastly, on behalf of the KRCNA 39 Committee, I would like to formally request the remaining \$5,500 of seed money to continue supporting our planning and upcoming activities.

Project Coordinator:

Sorry to report that the Project Coordinator Work Group has not met since before KRCNA 38. In addition to that, I am recovering from my first episode of COVID presenting yet another delay in getting our next meeting scheduled. I would like to propose June 15th as our next date for consideration @ 3pm CST unless there is a conflict of schedule with another regional event.

Area Reports:**ATRA:**

30 home groups that meet 50 times a week. Currently H&I is going into 9 facilities weekly. Since ATRANA is hosting regional in July the address will be 435 B, 1st Street, Henderson, Kentucky. The flyers for the 7th annual RAW picnic for September 6th from 11-5 at the Henderson County Fairgrounds.

LA:

All in all, the Louisville area is doing well. We are getting good Home Group participation and most of the committees are doing fine. The big issue we are having is getting trusted servants to fill the open positions we have. We have 5 open positions that have been vacant for some time.

We are in full swing for LACNA 35. We are ironing out the last of the hotel negotiations and have been having fund raiser events. I handed out flyers for this year's campout so we can get the word out. We are doing fine financially and have \$15,020.52 in the bank but that does not consider our prudent reserve of \$2375.00. The only new business we had was the RCM budget that will be sent out for home groups to vote on. There were no changes to the budget.

OVANA:

I was recently reinstated after needing to resign due to a family member's illness. I am grateful to be able to serve as my area's RCM.

The area's secretary informed me about the approved funds for H&I. I contacted Mark S., who sent a check that I passed on to our treasurer before a meeting. Our area appreciates your assistance in helping us carry the message.

OVANA area is going strong serving 11 groups. Our area has a few service positions open vice chair, RCMA, and PR.

OA:

PANA:

7 home groups and attendance are up across the area. 2 service positions are open: Webmaster and H&I Chair. On May the 3rd we had our campout fundraiser, however due to weather there was a low turnout so the expense to income was negative. The campout is still scheduled for September 19-21. Planning for the campout will resume in June.

SCKA:

Our meetings and the fellowship in SCKANA continue to grow. We have a group re-established in Franklin, KY that returned to the area meeting last month. This will bring the number of weekly meetings to 15.

Our Friday night DIU (Diversity in Unity) group has a speaker jam scheduled for October that will be held at the Holiday Inn Convention Center. A fundraiser for this event will be held on May 31 st at St James United Methodist Church 575 Winfield Drive in Bowling Green, KY.

I am including a flyer for the fundraiser with my report, and it is also posted on our area website @sckana.net. Thank you for allowing me to serve.

Old Business:

Motion 1-1-24, discussion on regional rotation. Still needs to be presented to the areas and home groups to be voted on, since this is policy change.

Unclear of what we need to do to simplify the rotation as to how we proceed when convention is passed.

No motion currently.

I need to work on an updated contact list.

Send a letter of concern to the 502 Area.

New Business:

Seed money check to be written to Angel R for the KRNA 39 convention for the remaining \$5,500.

Vice Chair service position is still open.

June 22nd, 3PM central – Project Coordinator meeting.

Next regional meeting is on July 20th, 1PM hosted by ATRA at 435 B, 1st Street, Henderson, Kentucky.

Meeting closes at approximately 3PM
