**KRCNA 39:**

Dear KRSCNA Family,

KRCNA 39 is alive and thriving! We're excited to share that we have decided on a preconvention logo and secured the hotel. You can now find the booking link for the rooms at the DoubleTree in Evansville on our website. A new registration flier will be available soon.

We're also preparing pre-convention merchandise and moving forward with planning. One thing we need from each area in our region is an approximate date for your KRCNA fundraiser. To kick things off, ATRANA will host the first KRCNA 39 fundraiser on November 2<sup>nd</sup> at Scales Lake Shelter House in Boonville, IN.

We are so grateful for the opportunity to serve our Region with KRCNA 39. We're still accepting workshop speaker submissions. If you're interested or know someone who is, please send them our way.

Here are our preconvention logos we decided on as a committee.

**IT Report:**

Trying to keep everything updated.

**Project Coordinator:**

Dear Family,

Sorry to report the last two scheduled Project Coordinator Work Group meetings didn't work out for the members that indicated they would be able to attend. I always give a 30-minute window of wait time before signing off and understand we all have busy lives and responsibilities. Those dates were June 22nd and August 31st @ 2pm CST, sorry those dates and times didn't work out for you guys.

The motion #6-1-25 for policy consideration of our scheduled regional event rotation was submitted in July and is still pending as old business.

As a reminder the original motion adopting the event rotation schedule was submitted on September 17, 2017, but had no motion number assigned.

Subsequent motion #1-1-24 both were submitted and included in the July reports, but there were no official minutes.

In loving service,

Debra C. Project Coordinator

**Area Reports:**

**ATRA:**

33 HG meeting 55 times a week.

Active H &I, going into 9 facilities.

**LA:**

Louisville Area is doing well. At the last area meeting we had 25 Home Groups out of 35 showed up to participate. We are still struggling with open positions. We have got a new secretary and an interim PR chair. Open positions are Vice Chair, P&P and RCMA.

H&I is going strong. We are going into 8 facilities in which 3 are long term. The message of Narcotics Anonymous is getting carried. LACNA 35 is in full swing. The dates are January 2<sup>nd</sup> through the 4th. Preregistration is \$35 and \$45 at the door and rooms are \$129 plus tax. Plenty of rooms left so come on out and join us in celebrating recovery.

We have \$4394 in the bank. We voted in Derek P. in as secretary and John L. as P.R. Chair for the remainder of the year and his home group is going to put in a resume for him to be P.R. moving forward for next year.

We are having a Monster Bash on October 25th. The flyer is attached. H&I is having a fall picnic on October 11th, and the flyer is also attached. I am thinking of putting in a motion to move the Camp Out regional meeting to the week before or after the Camp Out. I looked at Kentuckianana.org in documents for the Regional P&P or a Regional motion sheet but did not find either. I would like some help getting those resources Please. On Loving service, John B.

**SCKA:**

Dear Family,

Unfortunately, I couldn't attend the LBL campout last month as I was scheduled to work, sounds like it was a good time missed. I have simply updated my September report for today. There's not a great deal to report other than our meetings continue to thrive, all area positions are currently filled and all 11 home groups are consistently represented at the monthly area meeting. Our Area Activities Chair has secured the Hillview Heights facility for hosting our annual KRCNA fundraiser in December. The date is December 6th and more details to come along with a flyer that will be provided soon. Her next Activities meeting will be Monday the 6th before the regularly scheduled LTP NA meeting. I will provide a flyer to our Regional IT Chair when it becomes available to be posted on the regional website. The DIU (Diversity in Unity) group hosted their 1st annual speaker jam this weekend @ The Holiday Inn Convention center in Bowling Green, KY. It was awesome, with speaker from several states sharing the message of hope. I would like to extend appreciation for those that were able to support through their service participation and attendance. I have received the KRCNA 39 Fundraising event flyers for ATRANA and OVANA areas and they are posted on our website @ sckana.net

Thank you for allowing me to serve.

ILS,

Debra C. /SCKA RCM
